Welcome to the temple of your regular life. So begins beloved spiritual guide Mirabai Starr's stunning exploration of finding the extraordinary in the everyday. In *Ordinary Mysticism*, she helps readers discover their own inner mystic and let go of the limiting belief that

spiritual life exists only in traditional places of worship. Mysticism, she explains, is a direct experience of the sacred—no church or clergy required. Exploring the magic of mundane life, feeling more alive in the world, and awakening to the interconnectedness between all things.

Lyrical and tender, filled with profound wisdom and mind-opening insights, *Ordinary Mysticism* is about finding wonder in regular life, grounded in lessons from spiritual teachers across the centuries—from Julian of Norwich to Ram Dass. Starr combines their ancient wisdom with the story of her own personal and spiritual journey— while reading the book is encouraged, it is not necessary to join in. Discussion is facilitated by Rev. Sandy Boyer
